

BILINGUAL AND BRILLIANT!

5 REASONS WHY

Ever since I was a kid, I've been gifted when it comes to languages. My parents signed me up for classes and now that I'm older and know a lot more, I'll explain 5 reasons why to be Bilingual.

1 To teach other people.

If you are bilingual, you're able to talk to foreigners from other countries and teach them the local language, which can be very helpful to others and beneficial for your reputation.

2 To brag about your knowledge.

The power of knowledge is amazing. If you're bilingual, you may be able to impress others by showing your skills and make yourself look cool!

3 To get more job opportunities.

This is a very obvious but important reason. Being Bilingual can increase your chances of finding a good job with a decent pay.

4 To travel around the world.

Being bilingual can facilitate your travels and help you blend in with the locals.

5 To Participate in contests (like this one!)

Participating is fun, but sometimes language limitates your choices. However, if you're bilingual, that doesn't matter!!!

With this, these are my 5 reasons. Being bilingual can help a lot, so go get started as soon as you can!
